EXPERIENCE

Product Design Trainee
Crescent Curve

- Designed user interfaces for Restaurant Cafes Management Platform using Figma, focusing on usability and visual consistency
- Collaborated with senior designers and cross-functional teams to translate requirements into wireframes and high-fidelity prototypes
- Conducted design reviews and iterated on feedback to improve user flows and interaction patterns
- Contributed to maintaining design consistency through the team's design system and component library

PROJECTS

Restaurant Cafes Management Platform
Project Link: Figma url

- Saas for Restaurant and Cafes Management.

Tap Book
Project Link: Figma url

- A two-sided marketplace connecting customers with top salons, clinics, gyms and more — instantly.
